Thank you for requesting your free trial of YuMOVE Active Dog.

YuMOVE Active Dog has been specially formulated with your younger, active dogs in mind. It's unique formula delivers all the key ingredients that help aid recovery after exercise, and help growing dogs and canine athletes stay on top form, whatever the adventure.

YuMOVE Active Dog is packed with the finest quality active ingredients, including our very special ActivEase™ Green Lipped Mussel. It works in 3 ways:

YUMOVE
Active Dog

- ✓ Supports active joints
- ✓ Promotes mobility

We have enclosed a leaflet explaining YuMOVE Active Dog in more detail, together with a sample for your dog to try. YuMOVE Active Dog is highly palatable, so please don't leave the sample box where your dog can reach them! YuMOVE Active Dog gets to work straightaway, so you may see a difference from the sample alone, but it can take up to 6 weeks to see the full benefit.
